# ABOUT PROGRAM

**The supplementary program** is designed to bridge learning gaps, strengthen fundamental concepts of core academic subjects, and revise the most important topics of an academic year **within 3 months.**

## WHY SHOULD YOU CHOOSE THE CLASS OF ONE?

World-class digital curriculum aligned as per **new Education Policy of India (NEP 2020)** and at par with all **education boards.**

Responsive classroom environment safe to participate, express and ask questions. Differentiated learning instructions used to encourage participation.

Easy yet advanced technology integration to impart online education. Parents empowered with recorded classes and support helpdesks for prompt communication.

Co-curricular activities conducted online bring social skills, intellectual skills, moral values, personality progress, and character appeal to our students for holistic development.

Experienced and qualified teachers trained to teach online with effective engaging skills from pan India.

Measurable progress mapped and shared regularly with parents to involve and engage them in child's learning journey.

Flexible batch timings and learning at own pace to master concepts. Fun and interactive, application-based methods used to impart education.
